

## **Broadalbin-Perth Education Foundation Engraved Brick Campaign**

***Don't miss your opportunity to be a part of a commemorative legacy for our children and our community!***

The mission of the Broadalbin-Perth Education Foundation is to promote, sponsor and expand educational opportunities by building broad community support for public education. Please help us accomplish this mission by supporting the Broadalbin-Perth Education Foundation Engraved Brick Campaign.

Brick faces are personalized, including two lines of text up to 18 characters on each line (including spaces). The cost of a brick is \$100 each.

These bricks will be showcased at the entrances of the Broadalbin-Perth High School, Middle School, Intermediate School and TLC. You tell us which location you would like your brick to be engraved.

Engraved bricks will be installed twice a year, once in spring and once in fall. We will be in contact with the exact date as it gets close.
